

Internal Medicine Grand Rounds: Selected Topics in Hematology and Oncology

Wednesday, April 5, 2017

12:00-1:00 pm

Health Science Center 106

Avera McKennan Hospital Pharmacy Classroom

The VA Hospital Room 351

PRESENTED BY: Steven Powell, MD, Ahmad Gala, MD, Michael McHale, MD

TARGET AUDIENCE: Local and regional physicians, Advanced Practice Providers, and RNs

PURPOSE: Upon completion of the activity, the learner will have increased knowledge in recent updates in clinical practice in various specialties to improve general medical care for primary care especially internal medicine.

OBJECTIVES:

1. Discuss Immunotherapy in Oncology
2. Discuss current indication for Stem Cell Transplants
3. Review New Oral Anticoagulant

PRE-REGISTRATION:

Pre-registration is no longer required for each event. If you wish to pre-register you may continue to do so at <http://www.sanfordhealth.org/classes-and-events/courses/internal-medicine-grand-rounds>.
