

Internal Medicine Grand Rounds: Nutrition in the Elderly

Wednesday, February 1, 2017

12:00-1:00 pm

Health Science Center 106

Avera McKennan Hospital Pharmacy Classroom

The VA Hospital Room 351

PRESENTED BY: Kwabena Adomako Kwakye, MBChB

TARGET AUDIENCE: Local and regional physicians, Advanced Practice Providers, and RNs

PURPOSE: Upon completion of the activity, the learner will have increased knowledge in recent updates in clinical practice in various specialties to improve general medical care for primary care especially internal medicine.

OBJECTIVES:

1. Review nutrition in the elderly
2. Discuss screening/assessment of nutritional status

PRE-REGISTRATION:

Preregistration is required at <http://www.sanfordhealth.org/classes-and-events/courses/internal-medicine-grand-rounds>. All 2017 grand rounds dates are now available for registration. Click on link above, select either General Registration or Sanford Employee Registration to log into the Success Center. Once you have selected the date you want to register for, you will need to click on “request” on the right side of the page. You will receive email verification of your registration.

An attendance sheet will be made available via email and must be signed and submitted to Brenda Ramstad within 24 hours following the activity. Please submit either via fax at (605) 312-9827 or via email at brenda.ramstad@sanfordhealth.org. Once attendance is verified, a certificate of completion and a link for the electronic evaluation will be emailed to you.

CREDIT STATEMENT:

Sanford Health is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Sanford Health designates this live activity for a maximum of 1.0 *AMA PRA Category 1 credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
