Trauma Nurse Core Course

Full Course

**Sanford Bemidji
LEAD Center - France
4111 Technology Drive NW
Bemidji, MN 56601**

2020 Dates

February 3 & 4, 2020
May 7 & 8, 2020
August 17 & 18, 2020

8:00 a.m. - 5:00 p.m.
8:00 a.m. - 4:30 p.m.

Program Description

Purpose:

Trauma nursing as a discipline refers to the process and content of all the different roles nurses have in the care of the trauma patient. The purpose of TNCC is to present core-level knowledge, refine skills, and build a firm foundation in trauma nursing.

TNCC Overall Course Objectives:

On completion of this course, the learner should be able to:

- Identify the common mechanisms of injury associated with trauma.
- Describe the pathophysiologic changes as a basis for signs and symptoms.
- Describe the nursing assessment of patients with trauma.
- Describe mechanisms for evaluating the effectiveness of nursing interventions for patients with trauma.

Psychomotor Skill Station Objectives:

Upon completion of this course, the learner should be able to:

- Demonstrate a standardized, systematic, and organized approach to assessment, planning, intervention, and evaluation.
- Perform primary and secondary assessments.
- State patient problem based on assessment data.
- Identify an appropriate plan of care.
- Identify priorities for nursing interventions based on assessment data.
- Describe appropriate interventions for a plan of care.
- Identify patients' potential responses to nursing interventions.

Provider Course Participants:

The TNCC may be officially attended by registered nurses (RNs). Other health care providers may attend the course as observers. In order to maximize success in the TNCC Provider, it is recommended that the participant have at least six months of clinical nursing experience in an emergency care setting. It is assumed that the course participant possesses generic nursing knowledge, has an understanding of emergency care terminology, and has familiarity with standard emergency equipment.

Instructors

Sanford Bemidji Medical Center Staff

CEUs

This is a continuing education activity, credits are available based on class time.

Registration/Cancellation Information

No registrations will be accepted less than three weeks prior to the class date. Participants cancelling less than three weeks prior to the class dates will not be eligible for a refund.

In accordance with the Americans with Disabilities Act, please advise Sanford Bemidji Medical Center LEAD Center at 218-333-5578 if you have any disability that requires special materials and/or services so that appropriate personnel can be advised.
