Pediatric Grand Rounds:
Youth Street Gangs: Not in My Backyard...Or Are They?
Thursday, May 4, 2017
8:00-9:00 am
Sanford Health Schroeder Auditorium

PRESENTED BY: Jada Ingalls D.O./M.S. Forensic Medicine

TARGET AUDIENCE: Local and regional physicians, Advanced Practice Providers, and RNs

PURPOSE: Upon completion of the activity, the learner will have increased knowledge and clinical application of current standards of care for pediatric conditions identified as evolving and for emerging conditions.

OBJECTIVES:
1. State the Definition of Youth Street Gangs
2. Recognize Youth Street Gang Membership
3. Discuss how to educate parents on how to prevent and recognize gang activity in their children

PRE-REGISTRATION
Pre-registration is no longer required for each event. If you wish to pre-register you may continue to do so at www.sanfordhealth.org/classes-and-events/courses/pediatric-grand-rounds.

ATTENDANCE
An attendance sheet will be available at the live event and can also be obtained from Betty Jorgensen. The attendance sheet must have your printed name (legible) and be submitted to Brenda Ramstad following the activity via fax at (605) 312-9827. If you are not employed by Sanford please include your email address next to your printed name.

Videoconference Participants: The new dial string is 1105000@usd.edu. Please inform your local IT Department of this information.

If Sanford sites have any issues, call 605-328-7333 and tell the Help Desk it is a High Priority issue and they need to Transfer the call to the Telehealth Department.

CREDIT STATEMENT:
Sanford Health is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
Sanford Health designates this live activity for a maximum of 1.0 AMA PRA Category 1 credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For further information or if you have questions, contact: Betty Jorgensen at Betty.Jorgensen@usd.edu

This activity is supported by Sanford Health Academic Affairs and The University of South Dakota Sanford School of Medicine.
