Avalon Event Center, 2525 9th Ave S, Fargo, ND

We are excited to announce our annual full-day Heart and Vascular Symposium.

The purpose of this symposium is to provide education to support professional development, expand knowledge of current evidence-based practices, research and treatment guidelines, and improve patient outcomes of cardiac patients across the care continuum of heart and vascular diseases.

This conference is for physicians, APRNs, PAs, Nurses, and any health practitioner. Lunch will be provided.

Features will include:

- **Guest speakers with expertise in Cardiac, Electrophysiologic and Vascular disease.**
- **Cardiac Rehab**
- **Adult Congenital Heart**

More information on accredited continuing education will be provided when available.

Registration is open!
