HOPE Camp 24: Health Occupations and Professions Exploration

Date & Time: Sunday, June 16 - Thursday June 20, 2024

HOPE Camp provides an immersive health care exploration at this overnight camp for students. Participants engage in four days of interactive activities and simulations to delve into various health professions. This camp caters to students from rural areas entering their junior or senior year of high school, or those starting their freshman year of college. If you Aspire to pursue a career in health care, come join us at HOPE Camp!

Hosted by: Sanford Health and NDSU College of Health and Human Sciences

Age group: Grades 10-12

Registration fee: \$250 per student with scholarships available upon request.

- Accepted participants will be notified by May 31, 2024. Checks for payment due after selected and made out to: Sanford Health.

SANFORD HEALTH CARE CAMPS

Bismarck, North Dakota

Elementary MedAdventure Camp

Date & Time: May 28 -31, 2024, 9:00AM to 12:00PM

Join us for a week to experience a variety of health careers and the connection to wellness, science, skills, and knowledge! You get to try a simple (vegetable) surgery, casting with plaster, making fake blood and chyme, and much more. Meet nurses, dietitians, exercise physiologists, paramedics, music therapists, child life specialists, and more real-life people in the health care neighborhood!

Hosted by: Aspire by Sanford, Bismarck State College, and NDSU School of Nursing

Age group: Grades 1-4

Registration fee: \$59

[Click Here To Register](#) - Registration Closes On Tuesday, May 28, 2024 @ 12:00 AM

Middle School MedAdventure Camp

Date & Time: May 28 -31, 2024, 1:00 PM - 4:00 PM

Learn about a variety of health careers from people who work in nursing, respiratory therapy, radiation technology, emergency services, dietetics, and a medical lab. Activities may include: taking vitals, suturing, creating compounds, typing blood samples, inflating pig lungs, practicing intubation (on a manikin), exploring how X-rays are taken, drilling and filling cavities, and much more!

Hosted by: Aspire by Sanford, Bismarck State College, and NDSU School of Nursing

Age group: Grades 5-8

Registration fee: \$59

Finding Your Roots: A Genetics and Genealogy Experience

Date & Time: July 23rd - July 26, 2024 from 8:30am-3:00pm (four day camp - must be able to attend all 4 days of this program, partial attendance will not be accepted)

Location: Sanford Research in Sioux Falls

What is more interesting than you? In this program, students will use science to answer the question "Who am I?" Students will extract and analyze their own DNA, learn about human evolution, and dig into the stories of their ancestors. Participants will need parental/guardian permission to submit a DNA sample in April in order to be enrolled in the program. Upon enrolling, you will be notified within 5 business days of registration confirmation.

Hosted by: PROMISE by Sanford

Age group: Grades 6-8 - Limited to 24 students on a first-come, first-served basis.
