

**Here is how you can get started on your job search:**

1. Go to [sanfordcareers.com](https://sanfordcareers.com)
2. You can search open positions available to high school students at least two different ways:
  - a. Type in the keywords “high school preferred” and “Sioux Falls” for location and hit “Search Jobs.” Now you can filter using various categories like Job Functions (Nursing or Facilities and General Services) and Job Schedule (Part time or PRN “as needed”).

Filter By Shift +

Filter By Facility +

Filter By State +

- b. You can also “Explore Careers” at the top right of a laptop screen OR scroll down on your phone. Now you can choose pathways like “Nursing and Nursing Support (Certified Nursing Assistant)” or “Non-clinical Support Positions (Environmental Services, Food Service, etc).” Use the same filter options to find some good-fit opportunities for you.
