This curriculum includes two online courses and a quiz, as well as optional course key takeaway sheets you may print for study and future reference. It will take approximately 90 minutes to complete. Upon completion, please click the "Options" drop down menu at the upper right to print your certificate and rate the course content. You will also receive an email with a link to your certificate, which details credits earned for the curriculum completion (1.5 for ASRT and 1.0 for AACN).

NOTE: You have three attempts to pass the quiz and there is a 30-day lockout before another quiz attempt can be allowed. Please send an email to [academyinfo@abiomed.com](mailto:academyinfo@abiomed.com) to request a fourth test attempt if needed.
